

Services to the Onshore Natural Gas Industry

COVID 19 - General Operating Instructions

Please consider these as a personal guide.

If you, or any of your immediate family, have any symptoms of COVID-19, then you must not come to work and you **MUST** follow the Government Guidelines.

If it is safe for you to attend workplaces:

- Keep a safe distance of 2m from other people (politely remind people that it is a requirement and find a way to comply with the rule).
- No handshakes (politely explain you are not meaning to offend people by not shaking their hand).
- Disinfect your hands as you enter or leave the workplace, there should be facilities in place to allow you to do this. Wash your hands thoroughly throughout the day.
- Watch out for all the Covid-19 posters and signs and ensure you follow the instructions.
- Follow any one-way systems in place.
